Cristina Amon, Dean

MEMORANDUM

2015/16-15

To: Members of the Division of Engineering Science
Chairs and Directors

From: Cristina Amon

Date: May 20, 2016

Re: Term Extension of Chair, Division of Engineering Science

I am pleased to announce the six-month extension to the term of Professor Mark Kortschot as Chair, Division of Engineering Science, from July 1 – December 31, 2016.

Mark joined the Department of Chemical Engineering and Applied Chemistry in 1988 and was promoted to Associate Professor in 1993 and to full Professor in 1998. Prior to his appointment in Engineering Science in 2011, he served as Associate Director of the Pulp and Paper Centre, Associate Chair of Graduate Studies and Associate Chair of Undergraduate Studies in the Department of Chemical Engineering and Applied Chemistry, and Acting Chair, First Year for the Faculty of Applied Science and Engineering.

I am very grateful to Mark for his leadership and commitment to Engineering Science and the Faculty by agreeing to continue his service as Chair to the end of December.
