## REPORT CLASSIFICATION

This is a routine or minor policy matter that will be considered by the Executive Committee for approving and forwarding to Faculty Council for information.

## PROCESS AND CONSULTATION

The Teaching Methods and Resources Committee (TMRC) collaboratively created the goals for 2019-2020. The committee voted to approve the goals for 2019-2020 on November 5, 2019.

## COMMITTEE GOALS

TMRC members voted that the committee's first priority for 2019-2020 is to review the Divisional Items in the FASE online course evaluations. The TMRC members voted that the committee's second priority, closely related to the first priority, is to review the use of teaching evaluations in promotion, tenure, and PTR. The committee has discussed both areas the past two years and has considerable foundational information regarding both.

TMRC hopes to address the Executive Committee with recommendations regarding the FASE Divisional Items in the online course evaluations at the Tuesday, April 7, 2020 Executive Committee meeting.
